INSTRUCTION FOR FILING 2019 PT-41ELG ANNUAL REPORT

ELECTRIC GENERATION COMPANIES

As part of your report, you are also required to file a copy of your *FERC Form 1 R*eport, stockholder's report, audited financial reports of the respondent to its parent company and *Form 10-K*, if filed with the SEC. Please provide the name, telephone number and other pertinent information for the person(s) to contact regarding these reports. A form to facilitate the exclusion of motor vehicles is included in the property tax Annual Report booklet.

In compliance with Financial Accounting Standard 142 or 144, please provide any asset impairment studies, reports, or appraisals performed for, in behalf of, or by you or any parent, subsidiary, or affiliate related to any assets included in any reports to the Utah State Tax Commission.

Additional instructions for filing the Annual Report can be found on the "Instructions for filing this report" section contained in the Annual Report. If you have any questions regarding the filing of the Annual Report, please contact the Property Tax Division, Utah State Tax Commission at 801 297-3600.

NOTICE: Beginning 2016, the PT-41ELG, and required documentation, should be attached with your PT-40 return on TAP *(Taxpayer Access Point).*
