General Instructions

Use this spreadsheet to file your Additions for the annual Natural Resources return. Keep all supporting documentation in case of audit. Check [these resources](#) if you need more help.

Note: *This is the only approved template to upload your data.*

Follow these steps to complete and submit your return:

1. Complete and save your return.
2. Go to [Taxpayer Access Point \(TAP\)](#).
3. Log into your account and upload your file.

Important

- Complete schedule 30A4, Location Additions, before the rest of the schedules. It generates an ID you will use on the other schedules.
- Don't copy or alter cells or their formatting.
- Don't leave blank lines in the spreadsheet. It will cause errors.
- Dropdown menus have been provided where possible.
- Microsoft Excel 2010 automatically saves files as .xlsx. You must save your file as .xls to upload.

Line-by-Line Instructions – Return

Enter your Contact and Report information on lines 3-5 of the return (tab PT-30). Mark the **Amended** box on line 8 if you are filing an amended return.

The rest of return will auto populate based on your entries in the following schedules. Please complete each schedule that applies.
