Utah Code Ann. Sec 59-2-1347 allows a county, for property assessed by the county, or USTC, for property assessed by the Commission, to accept an amount less than the full amount of taxes due, and allows a county to defer the full amount of taxes due “where, in the judgment of the [county legislative body for property assessed by the county, or USTC for property assessed by the Commission], the best human interests and the interests of the state and the county are served.” The statute also allows a county legislative body to grant retroactive adjustments or deferrals.
