

Tax Relief

Tax relief is administered by the County Auditors or Treasurers. Counties are responsible for preliminarily determining if a taxpayer is eligible to receive tax relief in most instances. The counties administer these tax relief programs alongside the Utah State Tax Commission. Below is the contact information for all twenty-nine of the counties in Utah that provide tax relief for any questions or help you may need.

County	Webpage	Phone #
Beaver	https://www.beaver.utah.gov/215/Property-Tax-Abatement	(435) 438-6463
